**Subject:** FW: KING5 Breaking News: 4,000 gallons of sewage spill at Puget Sound Naval Shipyard

FYI – Rob is assigned and looking into the situation. He recently did an inspection to investigate what happened last year with an illicit discharge (cross connection to the facilities storm sewer).

KOMO and KIRO have it too.

No action on our end for now, reporters got what they needed (or as much as they could get) from the Kitsap Health notice.
